

MUSTAFA BATUN

BEKSÖZ

COMPUTER ENGINEERING STUDENT

I am Mustafa Batun Beksoz, a Computer Engineering student at Istanbul Beykent University. My goal is to apply the theoretical knowledge I have gained to real-world projects and turn it into practical experience. In line with my career aspirations, I aim to work in a role within my field to further develop my skills and expertise.

I have experience in programming languages such as HTML, CSS, Python (Django), PHP, JavaScript, C#, C++, Dart and Java. With these skills, I am ready to contribute to data analysis and software development.

You can view my projects and work on my GitHub.
